Demeter contract No. 39060

Based on inspection authorised by us, we confirm that the processing of biodynamic products has been found to meet with Demeter standards. The enterprise therefore has the right to use the *demeter* trademark for the following products and product categories:

**cereal flakes, jars, baby food, rusk,  
cereals & muesli**

The enterprise must keep a list of certified Demeter products.  
This list is an integral part of this certificate.
